

ARTS-DANCE - NEWSLETTER

August - 2013

Message From Our Chairman -

June was the start of exciting happenings for the ARTS -Dance Organization. We sponsored our first Trail End Dance at the 62nd National Square Dance Convention in Oklahoma City. The Program was Plus with Rounds and many callers and cuers volunteered their time. The dance hall was hot and a little hard to find, but it was filled to overflowing!! They were dancing in the aisles and at the last tip, there were still 18 squares on the floor. Betsy Gotta was the MC and made several announcements to promote the ARTS-Dance Organization and to let dancers know about the you2candance.com website. Betsy and Roy Gotta also ordered 250 bumper stickers to give to the dancers to help publicize the you2candance.com website and all of these were claimed by dancers before the end of the first full day of the convention. I believe that many more dancers became aware of ARTS-Dance during this dance. If the bumper stickers are used, and I believe they will be, more members of the general public will see the address and may look at the website. The Arts-Dance Executive Director is already requesting permission from the 63rd National Square Dance Convention Committee for ARTS to sponsor another (Plus with Rounds) Trail End dance at Little Rock.

The annual meeting was held on Sunday, June 30, 2013 with members of the Governing Board and several interested guests attending.

Dale Bennett gave a short presentation on his idea, The NEST which allows clubs to teach new dancers as they come out to a lesson, instead of being limited to just starting classes at 1 or 2 times during a year. If there are two or three clubs who are interested in trying this procedure, Dale may submit a proposal for a grant to help the clubs fund advertising. These clubs would serve as Beta Test clubs for the system.

Jim Taylor presented a request for The ARTS take action on the idea about rebranding Square Dancing. This idea was first proposed by Ken Ritucci in his keynote speech at a previous National Square Dance Convention. ARTS resolved to create a committee to look into a professional marketing & branding company to create a "Brand" and a slogan to attract new dancers. Jim accepted the Chairmanship of the Committee and is moving

forward with a conference call meeting to give the company a chance to talk to all the Board Members and others on the committee.

Robert Ameet sponsors the website Wheresthedance.com and has been working with Roy Gotta to link his information with the you2candance.com website to help complete the information about how to find dances and leaders.

Marie & Ron Selfors represented the Little Rock (63rd NDSC) education seminars. ARTS-Dance plans to present Education Seminars at that convention.

ARTS-Dance continues with ongoing programs:

- 1) ARTS Add-A-Buck,
- 2) ARTS Dance Travel,
- 3) ARTS \$100,000 Club, and
- 4) the ARTS Grant Program.

Recently, ARTS-Dance received a report concerning the grant which was given to the Country Dance and Song Society (CDSS) for their History Project. The project launched it's website in Sept 2012 and has over 800 items on it including video files, audio files and numerous text documents. The group has digitized all copies of Sets in Order/Square Dancing Magazine and the Lloyd Shaw Foundation publication The American Dance Circle and they plan to digitize American Squares Magazine.

Ten people represent the organizations that make up the Governing Board of the ARTS. Those individuals cannot do all the work involved in upcoming projects. We ask interested dancers and dance leaders to consider volunteering to help with a project. We need YOU to help us promote the dance activities that we all love.

Re-Branding - (What The Heck Is That?)

Rebranding is a process where the positive perception of an activity or product is improved. The process has been used successfully numerous times for a wide variety of products and activities. As we all know, square dancing is a fun, healthy, social activity, and a good image needs to be marketed to the non-dancers if the activity is to grow. There is a proposal to adopt a professionally created logo, icon, and symbol and a slogan that the public will come to recognize as square dancing. This is known as brand recognition. The next step is to start using the "brand" in a national marketing campaign.

A. Develop a "Logo", "Icon", "Symbol" and Slogan - establish a "Brand":

Use a professional rebranding technique to develop a marketable brand, recognizing who we are and developing the image we want to present to the general public

B. Make the new "brand" work:

Send word to clubs about the campaign; ask them to start using the "Icon" and "slogan", emphasizing repetitiveness and national marketing.

C. Raise funds for marketing by implementing various fund raising strategies and methods.

D. Start a national marketing campaign.

Determine the best media including social media. Encourage all clubs to use the new "Brand" on all their marketing.

Create 10, 30 & 60 second video spots

Create 60 second videos for U-tube release.

Create print media for publication.

Encourage use of the "Brand" on all web sites

Jim & Judy Taylor have agreed to Chair an ARTS Committee to work on our Rebranding efforts. For for more information: jimta1@msn.com

A Grant of up to \$200.00 (or up to 50% of the costs, whichever is less) is available to cover the costs to present a seminar. DANCING FACT SHEET -

Are you looking for an excellent way to introduce your friends to our wonderful activity? Well, we have just the thing - - the DANCING FACT SHEET.

The FACT SHEET details basic facts explaining physical, mental, and social benefits of the activity. It also summarizes our history and provides definitions for Round, Square, and Contra - Traditional Dancing. A historical time line showing the development and growth of these dance activities is included. There is a listing of major dance organizations which have joined to create the ARTS-Dance.

The FACT SHEET is not just a listing of information, it also provides interesting "Factoids about dancing" with short facts of where our activity has been. It reports on how the activity has been portrayed in the media, including television and movies. Also included is identification of some of the more prominent Americans who have been involved with its development. To more readily show and represent our movement, the FACT SHEET includes multiple photos depicting the fun and its colorful aspects.

The focus of the FACT SHEET is to help those who deal with the media to inform them dancers know full well - this is a terrific activity with multiple benefits. The FACT SHEET provides representatives of the media useful and ACCURATE facts to incorporate into their article or news report when they cover a dancing event.

This FACT SHEET may be customized to include information to identify local contacts.

FACT SHEETS are available for download from the ARTS-Dance.org website (www.ARTS-Dance.org) and will be available during National Square Dance Conventions and USAWest conventions.

All dancers are encouraged to provide the FACT SHEET to non-dancing friends.
